Payment Policy

Thank you for choosing us as your medical provider. We are committed to providing you with quality and affordable health care. Because some of our patients have had questions regarding patient and insurance responsibility for services rendered, we have been advised to develop this payment policy. Please read it, ask us any questions you may have, and sign in the space provided. A copy will be provided to you upon request.

- 1. Insurance.** We participate in most insurance plans, including Medicaid. If you are not insured by a plan we do business with, payment in full is expected at each visit. If you are insured by a plan we do business with but don't have an up-to-date insurance card and we are unable to verify your coverage, payment in full for each visit is required until we can verify your coverage. Knowing your insurance benefits and knowing your primary provider is your responsibility. Please contact your insurance company with any questions you may have regarding your coverage.
- 2. Co-payments and deductibles.** All co-payments and deductibles must be paid at the time of service. This arrangement is part of your contract with your insurance company. Failure on our part to collect co-payments and deductibles from patients can be considered fraud. Please help us in upholding the law by paying your co-payment at each visit.
- 3. Non-covered services.** Please be aware that some – and perhaps all of the services you receive may be non-covered or not considered reasonable and necessary by Medicaid or other insurers. You must pay for these services in full at the time of visit.
- 4. Proof of insurance.** All patients must complete our patient information from before seeing the doctor. We must obtain a copy of your current valid insurance to provide proof of insurance. If you fail to provide us with the correct insurance information in a timely manner, you may be responsible for the balance of a claim.
- 5. Claims submission.** We will submit your claims and assist you in any way we reasonably can to help get your claims paid. Your insurance company may need you to supply certain information directly. It is your responsibility whether or not your insurance company pays your claim. Your insurance benefit is a contract between you and your insurance company; we are not party to that contract.
- 6. Coverage changes.** If your insurance changes, please notify us before your next visit so we can make the appropriate changes to help you receive your maximum benefits. If your insurance company does not pay your claim in 45 days; the balance will automatically be billed to you.
- 7. Nonpayment.** If your account is over 90 days past due, you will receive a letter stating that you have 20 days to contact us regarding payment on your account. Partial payments will be accepted upon Authorization. Please be aware that if a balance remains unpaid, we may refer your account to Collection.

Our practice is committed to providing the best treatment to our patients.

Our prices are representative of the usual and customary charges for our area.

Thank you for understanding our payment policy.

Please let us know if you have any questions or concerns.

I have read and understood the payment policy and agree to abide by its guidelines:
